Cost: $45.00 for Textbook and Supplies.

Learn About:
- Airway Evaluation and Control
  - Intubation
  - Combitube
- Fundamentals of Cardiac Pharmacology
- Rhythms of the Heart
- IV Preparation Access & Management
- And more!

EMT-Basics are not trained to provide advanced cardiac life support (ACLS), but there is much they can do to assist an EMT-CC or Paramedic, improve the quality of care rendered and thus the patient's chance for survival in an emergency. ACLS for the BLS Provider teaches what you as an EMT-Basic can do in situations that require advanced cardiac life support.

Course approved for 8 Hours CME Credit:
4 Hours Core Medical-Cardiac + 4 Hours Non-core
