Debbie Bush has recently been diagnosed with Stage IV throat cancer. She and her husband Steve have been members of the Saratoga County H.O.G. Chapter for over 20 years.
Sheriff’s Office for over 20 years. She has donated countless hours to the
Toys for Kids program, the County Animal Shelter and the Ballston Lake
Emergency Squad. She always goes far above and beyond when citizens
call for assistance. Her friends are organizing this benefit to honor her
courage and dedication to serving the public and help offset medical bills.
