April 24, 2011

Greetings!

New York State Volunteer Ambulance & Rescue Association's annual Legislative Day in Albany is Monday, May 2, 2011. For this to be successful we need you to join us that day. Secondly, we need you to encourage representatives of the squads in your districts to join us as well.

Appointments are scheduled with chairpersons of Senate and Assembly committees that relate most directly to our legislative agenda. I will be sending our finalized itinerary for Monday in the next few days.

Legislative Day also provides a good opportunity for our members agencies to meet with their respective representatives in Albany. With that in mind please consider making appointments with your representatives, and encourage the agencies in your districts to do the same.

Similarly you can determine who represents you in the assembly as well as view a list of all representatives at [http://www.assembly.state.ny.us/mem/](http://www.assembly.state.ny.us/mem/).

If you are planning to attend please let me know so that I can forward any last minute information to you - You can email me at legislative@nysvara.org or call me at 315.263.1316.

Some preliminary details:

Attire - Uniforms represent who we are and what we do, and always make an impression upon our representatives. Business attire (i.e. suits) also make a very good impression.

Meeting Monday morning 5/2/11 - We will meet at 0830 in the concourse level of Empire State Plaza outside of the Albany Room restaurant.

Chris Bitner, Vice-President
New York State Volunteer Ambulance and Rescue Association
