INSTRUCTOR COURSE INFORMATION

The Instructor course consists of three parts. Candidates must successfully complete all three parts of the course in order to become an American Heart Association BCLS Instructor:

Part I Core Instructor Course
Candidates must complete the American Heart Association Core Instructor Course prior to beginning of program. This is a 4 hour computer-based program that is a pre-requisite to the actual Instructor Program. Participants are required to complete this program and at the conclusion of the program print a course completion certificate which must be presented on the first day of class. If you does not complete this pre-requisite and present the original certificate the first day of the course, you will not be able to continue in the program.

Part II- Instructor Program
The Instructor Program is conducted over a 2 day period for a total of 16 hours. Candidates will initially be evaluated on their provider skills as well as the written exam. Upon successfully complete of both the skills evaluation and written exam, candidates will continue through the program. Candidates will receive assignments of didactic and skills presentations prior to the start of the course which will be presented at this time.
Part III- Course Monitoring
Candidates must be evaluated assisting in an actual course within 90 days of completing the instructor course. If candidate receives positive evaluation from faculty, they will have successfully completed the course.

REMEDICATION

Participants will be expected to demonstrate competency in all BLS skills. **There will be no skills remediation provided.**

Participants unable to competently perform the provider skills may attend an instructor course within the next 6 months at no additional cost.
