MGT-347: ICS Forms Review

**Date:** Monday, April 23, 2012

**Time:** 8:00 AM – 12:30 PM

**Location:** OEM – Training Room
165 Cadman Plaza East
Brooklyn, NY 11201

**Description:**
This 4 ½–hour workshop provides a detailed introduction to emergency response supervisors and mid-to upper-level managers to the Incident Command System (ICS) forms used in the development of an Incident Action Plan (IAP). Participants will examine the primary forms used in an IAP, as well as supporting documents and other utility forms. In addition, participants will review the planning process and where, within that process, the forms are filled out and by whom. The workshop includes a practical application designed to instruct participants in the development of Specific, Measurable, Action-oriented, Realistic, and Time-based (SMART) control and management objectives.

**Intended Audience:**
Those who have taken ICS-300 and would like an in-depth review of the forms used in an IAP.

**Prerequisites:**
ICS-300
