PER211 – Medical Management of CBRNE Events

Date: Tuesday, July 24 and Wednesday, July 25 2012

Time: 8:00 AM – 5:00 PM

Location: NYC OEM
165 Cadman Plaza East
Brooklyn, NY 11201

Description:
Participants completing this program will be able to properly perform patient triage, decontamination, treatment, and transportation in the event of exposure to chemical, biological, radiological, nuclear and explosive (CBRNE) weapons. The course consists of facilitated discussions, small group exercises, hands-on activities, and task-oriented practical applications. Course participants will use both state-of-the-art adult and pediatric human patient simulators to promote critical thinking skills while utilizing the RAPID – Care concept.

Prerequisites:
It is recommended that participants complete two online courses before attending the course. These Internet courses are available at no cost to the participant. Visit http://www.teexwmdcampus.com and complete:
• Basic EMS Concepts for WMD Incidents
• WMD / Terrorism Awareness for Emergency Responders

Registration:
Click here to register.

Cancellations:
Cancellations must be received no later than 3 business days in advance.
