St. John’s University EMS Institute is a recognized National Registry testing center that will be hosting National Registry skills testing for paramedics on:

Thursday August 09, 2012, beginning at 8 am.

Pre-requisite requirements: as taken off the NR web-site

Individuals applying for EMT-Paramedic / Paramedic certification must meet the following requirements:

- 18 years of age or older.
- Possess current National Certification at the EMT-Basic level or current state certification at the EMT-Basic level or higher.
- Successful completion of a state-approved EMT-Paramedic / Paramedic course that meets or exceeds the U.S. Department of Transportation (DOT) Paramedic National Standard Curriculum. You must have completed the course within the past two years. Your Program Director must verify your successful completion of the course on the NREMT web site.
- If your initial EMT-Paramedic / Paramedic educational program was completed more than two years ago and you have maintained state licensure at the EMT-Paramedic / Paramedic level, you must submit documentation verifying completion of a EMT-Paramedic / Paramedic refresher training program within the past two years. If your initial EMT-Paramedic / Paramedic education program was completed more than two years ago and you never gained state licensure at the EMT-Paramedic / Paramedic level, you must complete an entire state-approved EMT-Paramedic / Paramedic course prior to applying for certification.
- Verification from the Program Director that you hold a current CPR credential for health care providers and have demonstrated competence in EMT-Paramedic / Paramedic skills.

If you meet the requirements and are interested in taking your NR skills testing now, please call the contact name and number below to reserve your seat. Please note that seats are limited and given on a first call basis. The fee for this test date will be provided upon registration.
