The St. John's University EMS Institute is proud to offer clinical and ambulance experience sites in Brooklyn, The Bronx, Queens, Manhattan, Nassau County, Suffolk County, and Westchester County. Students are permitted to do rotations overnight as well as double shifts when available.

St. John's University Nationally Accredited Program includes the following curriculum:

BCLS*ACLS*PALS*NRP*PHTLS*

National Registry Skills Testing, NYC REMAC Orals Administered On Site, NYS On-Site Written Certification Testing Center

In addition to the classroom hours, we use computer based, interactive on-line learning that you can access from your home computer or from our on site computer lab. Our on-line exams make it the perfect and most convenient way for the student to apply the knowledge they have learned. We offer the resources of a large University and the most experienced faculty in the EMS field. Our skill labs are set up to allow students to interact with the faculty members and learn in a professional academic setting.

Course Application and Screening Process

The application fee for the screening exam is $100.00 non-refundable payable by money order to: St. John's University. Upon successful completion of both portions of the exam, the student must undergo a criminal background and 10 panel drug test. The fee for this is $105.00 USD. The application and screening fee is separate from the tuition. You must bring your driver’s license, your valid NYS EMT card with a copy of the most current grades and your high school diploma or GED.
