AMLS Provider Course
(Advanced Medical Life Support)
EMT, EMT-CC, EMT-P

Dates & Times:

Mondays, September 10, 17 2012
8 am – 4 pm

The Advanced Medical Life Support (AMLS) course is sponsored by the National Association of EMTs (NAEMT) and endorsed by the National Association of EMS Physicians (NAEMSP). It is the first course that addresses the most common medical complaints and offers a "think outside the box" method of assessing and managing a patient in medical crisis. The course emphasizes using the scene size-up, history and physical exam to systematically rule-out and rule-in possibilities and probabilities of their medical problem. This course offers the opportunity to be in an assessment-based approach and progress to a diagnostic-based approach to develop a specific treatment plan for a specific medical condition; resulting in a differential diagnosis.

PREREQUISITES:  EMT
LOCATION:    North Shore – Long Island Jewish Health System
Center for Emergency Medical Services
15 Burke Lane, Syosset, NY  11791
