**IED Dynamics and Recognition for Emergency Responders**

*July 30, 2013*

**Description:**
The *Improvised Explosive Device (IED) Dynamics and Recognition for Emergency Responders* course is designed to provide a comprehensive overview of IEDs to assist first responders in the execution of their duties. The course will cover a brief history of the use of IEDs and their evolution as a terrorist attack weapon. This course will also familiarize emergency responders with the various types, components, and attack methods of IEDs. Students will work through scenario-based activities that will guide them through the attack cycle in relation to the IED manufacturing process and allow them to identify points of observable activity. Students will also be exposed to a Home-Made Explosive (HME) laboratory in order to facilitate discussion on IED dynamics pertaining to the attack cycle.

**Location:**
State Preparedness Training Center
5900 Airport Road
Oriskany, NY 13424

**Times:**
Registration and Check-In: 8:00 AM - 8:30 AM
