On Saturday, August 3rd, we will be providing a medical standby for a Quidditch event being held on Randalls' Island. It will be on field 70 and will take place from 7:00 AM to 7:00 PM.

For those of you who do not know what Quidditch is, just think of Harry Potter and the game they played while flying around on the brooms. Well, these are college students, who run around on the same types of brooms. Go on YouTube and search "International Quidditch Game, NY". You will get a glimpse of what I mean. It is a game to be experienced at least once in a lifetime and fun to watch.

I am looking for at least 15 EMT's who will be working the field as well as the first aid station.

Please call me at (347) 869-0066 or e-mail me at jperryemt1@gmail.com and let me know your availability. Please help us out and come to experience something different.

Thank you and be safe.

Janet Perry
