Highway Safety for Emergency Responders

This is a 15 hour course being held on the following dates:

- June 25th and 27th from 19:00 to 22:00 hours
- June 29th from 08:00 to 17:00 hours

**Description:** Students completing this course will have awareness of the serious nature of highway crash scenes and the hazards associated with them. Students will have an understanding of the four phases of traffic control that take place in the first hour. They will also possess the ability to select and place the appropriate traffic control devices for various crash sites. Other topics covered are: stopping sight distance requirements for vehicles across a broad range of speeds, how to establish various traffic control zones, where to stand and how to direct traffic.

**Target audience:** All emergency response personnel

**Prerequisites:** All emergency response personnel

**Registration:** Pre-registration is mandatory. **Walk-ins are not permitted.** Register through your chief or training officer. Chief's and training officer's can register their personnel at; [http://emergencyservices.westchester.gov.com/](http://emergencyservices.westchester.gov.com/). Each student must present the NYS Training Authorization Letter which can be accessed and downloaded when registering. Class size is limited to Twenty-Five (25) students.

**Venue:** Westchester County DES Training Center, 4 Dana Rd. – Grasslands Campus, Valhalla, New York. All students are to park in the lot adjacent to the Support Services Building located at 35 Walker Road. (There is a stairway linking the parking lot directly to the training campus.) For questions or concerns regarding weather or course cancellation call (914) 231 – 1615.
