ACCREDITATION

Pharmacists and Pharmacy Technicians: The NYS Council of Health-system Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
Module I (A.M.)
This program, 0134-9999-13-159-L04-P; 0134-9999-13-159-L04-T is approved for 0.3 CEU’s (3 contact hours).
Module II (P.M.)
This program, 0134-9999-13-160-L04-P; 0134-9999-13-160-L04-T is approved for 0.3 CEU’s (3 contact hours).

Statements of Continuing Pharmacy Education Credit are available at healthsystemce.com to participants upon the conclusion of the program.
These statements of credit are available 24/7. Participants must verify attendance at the meeting by entering the program CE code.

Physician Assistants: An application has been submitted to the American Academy of Physician Assistants (AAPA) for continuing education credits.

Nurses: This program has been approved for six (6) contact hours by the California Board of Registered Nursing Continuing Education.

Social Workers: An application has been submitted to NASW-New York State for six (6) contact hours.

Dietitians and Dietetic Technicians: This course has been approved by the American Dietetic Association for six (6) continuing education units.

Clinical Laboratory Practitioners: This continuing medical laboratory education activity is recognized by the American Society for Clinical Pathology as meeting the criteria for six (6) hours of credit.

Case Managers: An application has been submitted to the Commission for Case Manager Certification to provide continuing education credit to Certified Case Managers (CCMs) for six (6) credits.

CASACs: An application has been submitted to the New York State Office of Alcoholism and Substance Abuse Services for six (6) clock hours.

Medical Records Coders: An application has been submitted to the American Health Information Management Association (AHIMA) for six (6) CEUs.

Paramedics/EMTs/EMS: An application has been submitted to the Regional Emergency Medical Services Council of New York City for six (6) CME credits.

Respiratory Therapists: An application has been submitted to the American Association for Respiratory Care (AARC) for continuing education credits.

Radiological Technologists: An application has been submitted to the American Society of Radiologic Technologists (ASRT) for continuing education credits.

Rehab Therapists (PT/PTA): Continuing education credit has been requested from the New York Physical Therapy Association for continuing education approval.

All other professionals will receive certificates of attendance.

Please check with your accrediting board with respect to receiving credit for this program.

The Institute for Continuing Education of the 1199SEIU League Training and Upgrading Fund; 1199SEIU United Healthcare Workers East Professional and Technical Department; Continuum Health Partners; NYC Department of Health & Mental Hygiene (NYC-DOH);
The Regional Emergency Medical Services Council of New York City, Inc. (REMSCO) present
PROGRAM and LEARNING OBJECTIVES

Moderator: Phillip A. Hiew, M.D., M.B.A., F.A.C.E.P., Clinical Instructor, Department of Emergency Medicine, St. Luke’s/Roosevelt Hospitals, NYC; Telemetry Physician, Fire Department of New York City (FDNY) – Bureau of Emergency Medical Services (EMS); Emergency Health Care Provider (EHCP), New York State’s – Public Access Defibrillation (PAD) Program.

8:45am REGISTRATION and LIGHT BREAKFAST

9:20am Welcome and Introductory Remarks

9:30am Preparing for Mega Disasters: What We Need to Know Now

Dario Gonzalez, M.D., F.A.C.E.P., Victor Cohen, Pharm.D., B.C.P.S., CMI-V

Differentiate mega disasters from large scale emergencies and what steps need to be implemented in order to effectively prepare for these events. Disaster related roles that Federal, State and Local government and non-government responders have within their organizations to protect communities. How healthcare workers and citizens can effectively interact with Federal, State and Local responders. Vulnerable populations. Accessing federal, state and local resources currently available. New updates on Emergency Preparedness and Response.

10:00am The Role of Laboratories in Emergencies and Disasters

Donell Harvin, M.P.H., M.P.A., Dr.Ph. Candidate

10:35am Overview of Pharmacological Disaster Preparedness Strategies and Initiatives

Victor Cohen, Pharm.D., B.C.P.S., CMI-V

Compare and contrast medications needed for various disaster situations: utilizing personal hazard vulnerability analysis. Hospital and community pharmacy initiatives for pharmacological disaster preparedness. The integration of local government efforts/strategies and initiatives for pharmacological disaster preparedness.

12:30pm LUNCH BREAK

1:30pm Pre-Hospital Emergency Preparedness

Dario Gonzalez, M.D., F.A.C.E.P.

Pre-hospital preparedness options undertaken in preparation to responding to a “major” incident within New York City - based on lessons learned from: 9/11, U.S. Military, Boston Marathon, Beslan, Mumbai, New York City incidents. Recurring deficiency of communications in the event of a terrorist or natural disaster. The role of the Federal and municipal government with respect to response windows. Issues of future disaster targets and terrorists objectives.

2:15pm Disaster Mental Health – Peeling the Onion

Monika Erős-Sarnyai, M.D., M.A.

The importance of disaster stress and its adverse effect on health and functioning. The relationship of disaster stress to workplace performance and work related disaster stressors. Strategies to manage stress reactions before, during and after a disaster. Strategies to assist others in managing disaster stress. Theory and practice of PFA (Psychological First Aid).

3:00pm Disaster Preparedness and Response of Hospitals and Affiliated Healthcare Facilities

Jeffrey Rabrich, D.O., F.A.C.E.P.

Regulatory requirements regarding hospital and healthcare facility emergency/disaster planning. Challenges, barriers, best practices and lessons learned. The Hospital Incident Command System (HICS) and structure of disaster leadership. Perspectives on future readiness and response planning.

3:45pm Organizing Communities Around Disaster Resilience

Herman Schaffer, L.M.S.W.

Basics of Emergency Preparedness. The role individuals can play to enhance their community’s resilience both where they work and live. Identify and build useful networks. Existing resources available and how to better link communities with important information that would be needed during an emergency.

4:30pm PARTICIPANTS SUBMIT EVALUATIONS

PRESENTERS

Victor Cohen, Pharm.D., B.C.P.S., CMI-V, Residency Program Director; Clinical Pharmacy Manager and Faculty, Emergency Medicine/Toxicology, Maimonides Medical Center; Assistant Professor of Pharmacy Practice, Arnold and Marie Schwartz College of Pharmacy and Health Sciences, Brooklyn, NY.

Monika Erős-Sarnyai, M.D., M.A., Best Practices Specialist, Disaster Planning, Preparedness and Response; City Research Scientist, Office of Mental Health Disaster Preparedness and Response; The New York City Department of Health and Mental Hygiene.

Donell Harvin, M.P.H., M.P.A., Dr.Ph. Candidate, adjunct faculty, Department of Security, Fire, Emergency Management; Executive Committee, Christian Regenhard Center for Emergency Response Studies, St. Luke’s/Roosevelt Hospitals, St. Luke’s/Roosevelt Hospitals, New York; Executive Director, Health Services Manager (M-H), Special Operations Division, NYC Office of Chief Medical Examiner (OCME); Fire Department of New York City (FDNY); Bureau of Emergency Medical Services (EMS); Emergency Health Care Provider (EHCP), New York State’s Public Access Defibrillation (PAD) Program.

Jeffrey Rabrich, D.O., F.A.C.E.P., Medical Director, Emergency Department, St. Luke’s/Roosevelt Hospitals, NYC; Educational Consultant, Rockland Paramedic Services, Nanuet, NY.

Irwin Redlener, M.D., F.A.A.P., D.Sc., D.H.L., President and Co-Founder, The Children’s Health Fund; Director, National Center for Disaster Preparedness, Earth Institute, Columbia University; Professor of Clinical Population and Family Health; Professor of Health Policy and Management; Professor of Clinical Pediatrics, Mailman School of Public Health, Columbia University Medical Center, NYC.

Herman Schaffer, B.S., L.M.S.W., Director of Community Outreach, NYC Office of Emergency Management (OEM); Vice President, Self Empowerment through Education (SEED), Serenje, Zambia.
