Basic Life Support for the Healthcare Provider (BLS HCP) Instructor Course

This course is designed for the experienced provider only. You will be learning how to teach BLS and Heartsaver CPR. The steps for becoming an American Heart Association (AHA) Instructor are:

1. Have a current AHA BLS HCP status and be proficient in all the skills.
2. Be accepted by an AHA Training Center prior to enrolling in this Instructor Course and have a completed Instructor Candidate Application on file with that Training Center.
3. Successfully complete the BLS HCP Instructor Essentials Online course and print the certificate of completion.
4. Successfully complete the discipline-specific classroom Instructor Course.
5. Successfully complete being monitored teaching your first course within six months of completing BLS HCP classroom Instructor Course (Training Center Coordinators can require additional monitoring if needed).

Monday, December 29, 2014

6:00 pm - 10:00 pm
