Ebola Response for First Responders:

PPE 102: Awareness & Response
(Donning and Doffing)

Course Description:

Please join the Westchester County Dept. of Emergency Services in collaboration with the Westchester County Health Department and the New York Medical College Center for Disaster Medicine for training on the necessary equipment and procedures required to keep the first responder community safe from infectious diseases. All first responders should have an understanding of the principles and equipment required during contact with a patient showing signs and symptoms of an infectious disease including Ebola.

Training includes:

- Selecting the proper Personal Protective Equipment (PPE)
- Properly Donning (Putting on) PPE
- Properly Doffing (Taking off) PPE
- Decontamination of personnel and equipment
- Proper disposal of soiled equipment

This course may be applied toward Preparatory Core or General Elective CME hours under the NY State DOH EMS Continuing Education Recertification Program.

Date(s) / Time(s):
Thursday, **January 8, 2015**, 7 - 10pm

Executive Staff and Training Officers – and

**PREHOSPITAL PATIENT CARE PROVIDERS** (i.e. CFR, EMT, Paramedics)

This program has now been expanded to allow attendance by

**PREHOSPITAL PATIENT CARE PROVIDERS** (i.e. CFR, EMT, Paramedics)

working/volunteering for a Westchester-based EMS or Fire agency.

Preference will be given to providers who belong to certified agencies (i.e. ambulance, ALSFR) required to come into compliance with the NYSDOH Commissioner’s Order.

Targeted Audience:
