EMT REFRESHER COURSE ---- EMT REFRESHER COURSE

An EMT REFRESHER course will be held at Midwood Ambulance, starting Tuesday, February 4, 2014 & ending on Thursday, May 15, 2013.

This course will be conducted using the REVISED 2011 NHTSA & NYS BEHS EMT STANDARDS which includes: Revised Patient assessment terminology and procedure, Expanded depth of knowledge on the Physiology and Pathophysiology of the Body and Disease processes, 2011 CPR guidelines, Homeland Security Awareness Level WMD & Haz Mat certification, MCI’s and NIMS, Life Span Development, Special Pt. Populations, CPAP, Venturi mask, NYS BLS protocols (Aspirin administration’ Nasal Narcan & Nitroglycerin assist by EMT’s, MAST, Spinal immobilization protocol update etc). The State EMT Exam test questions will be based on these new standards.

As in the past you will be allowed to challenge out of certain parts of the Refresher course by passing the pre-course challenge exams. We will start this program by covering the New guidelines before the written and Skill Challenge exams. Your attendance for the remaining sessions will be determined by your performance in the Challenge exams.

The fee for this program will be $400.00, which will be paid in full upon submission of this application. Tuition must be paid, by money order, certified or bank check. Personal checks will not be accepted. MAKE ALL CHECKS PAYABLE TO WILLARD WRIGHT.

Please note: If you are currently working as an EMT for a volunteer, Municipal, commercial or hospital-based ambulance service in NYS you may be eligible for reimbursement of your tuition. Call me at 718-981-9474, To verify this before submitting your application. The forms for this reimbursement will be disbursed the first night of class.

LOCATION: Midwood Ambulance, 2593 W13th Street , Bklyn, NY, 11232,

| 9) | 4/1 Tue                                                   |   |   |

****You will not have to attend this session if you completed this in a previous program and have a copy of the of the Certification or by take the courses online.

**TIME: 7:30 PM to 11:00 PM**

We will be using the: **Emergency Medical Technician Transition Manual** (AAOS) for this course.

*Emergency Medical Technician Transition Manual* bridges the gap between the knowledge and skills based on the 1994 National Standard Curriculum and those in the 2009 *National EMS Education Standards*.

*Emergency Medical Technician Transition Manual* offers focused discussions on critical knowledge areas and new skills. Each chapter opens with a summary of what EMTs should already know about the topic as well as a brief overview of the content that is new or addressed in greater depth in the *National EMS Education Standards*. Case studies at the end of each chapter help students test their critical-thinking skills and gauge comprehension.

The textbook can be purchased from us for ($95.00). This will include the Website access for this textbook where you can review the lesson Outlines, PowerPoint slides and take practice Tests questions for each Chapter of the Textbook. If you want the New Original EMT textbook instead you can also purchase it from us for $150.00 with Website access.

Once we receive the payment for this textbook we will either mail it to you or you can make arrangements to pick it up at our office.

**If you have any questions regarding the course, please feel free to call me at (718) 981-9474.**
