PLEASE JOIN US FOR A CLINICAL AFFAIRS PROCEDURAL CADAVER LAB

Teleflex is proud to invite you to our EZ-IO® Intraosseous Vascular Access System Hands-on Procedural Cadaver Lab. This hands-on lab is designed to improve the provider’s competence with intraosseous access in a safe, controlled and clinically supervised environment. Participation will enable providers to recognize when to use the EZ-IO® System during emergent and difficult vascular access situations. All participants will be awarded 2 Hours CEH.

WHEN
- Tuesday April 29, 2014
- Labs begin at 8 a.m.
- The last session begins at 4:10 p.m.
- New sessions begin every 35 minutes
- Please allow 2 hours to complete the lab
