April 27, 2015
NYSVARA Legislative Day
NYS Capitol, Albany

NYSVARA members from across the state will gather in Albany on April 27th to educate our elected officials on the issues facing EMS today. In previous years, these meetings have been the impetus for positive change within our industry. With your help, we can continue to make a difference. We hope to see you there.

Any member or member squad is invited to attend this event. Please email vicepresident@nysvara.org with your name, address and contact number on or before April 10th so that we can schedule appointments appropriately. Don't worry, an officer of the association will accompany you to your appointments and help you articulate our message.

Those attending are also invited to join us at the Holiday Inn Downtown, Albany the day before the event for an information session. A group rate has been established at the hotel for $110.00 per night and includes breakfast and transportation to and from the state plaza.
