EMS STRONG: CALLED TO CARE

Each year during the third week of May, Emergency Medical Services (EMS) Week is celebrated across our nation to acknowledge and thank our EMTs and Paramedics for the lifesaving work they do every day. It is also a time to educate people about EMS and how it influences their lives each day.

Our goal is to have sponsors, each contributing whatever they can, to help make this year’s EMS Recognition and Awards Ceremony, which is being held on Monday, May 16th, possible.

We hope you will support this event. Sponsors will be listed on our website (www.nycremsco.org) and will have their names published in our Recognition and Awards Ceremony Program.

Our Recognition and Awards Ceremony will include presentation of awards to our City’s EMTs and Paramedics. We are also holding EMS themed competitions and raffles. Winners of the competitions will be announced during the ceremony and be recognized on the REMSCO website. As in past years, we hope to be able to provide donated prizes.

The Regional EMS Council of NYC will be presenting a video review of EMS events that occurred over the past year, and will provide space, refreshments and food.

In NYC heroism happens every day. Every day, our EMTs and Paramedics are called upon to help others through one of the most frightening times of their lives. Every day, they are called upon to provide a sense of security and relief during chaotic and challenging situations. Every day, they are called upon to do the work that only a select few can do. Every day, they are CALLED TO CARE.

Help us show our City’s EMTs and Paramedics that their efforts to protect us have not gone unnoticed.

A donation form is attached. If you require further information, please call us at (212) 870-2301 or email mdiglio@nycremsco.org.

Thank you for your kind consideration.
