2020 Cadaver Lab
March 27th, 28th, 30th, and 31st

The Division of Prehospital Medicine at the University of Rochester is again offering EMS agencies and educational programs an interactive physician led Procedural Skills Training Program.

Fees for this year’s session
$1250.00 per lab session
($1000.00/lab if your agency contracts with URMC for medical direction)

Lab Sessions are available in the following time slots
(08:00-09:45) (10:00-11:45) (13:00-14:45) and (15:00-16:45)

EARLY REGISTRATION – SAVE $100 (per lab session)
EARLY REGISTRATION ENDS on JANUARY 17, 2020

Please contact the Division of Prehospital Medicine with any questions or to reserve your lab session today.
